YOUR EXPERT IN SWISS MADE WATCH ASSEMBLY

END-TO-END SERVICE YOU CAN RELY ON

From the moment your components arrive to the shipping of your finished timepieces, we take care of everything, so you have more time to focus on what matters most – your brand's success.

QUALITY YOU CAN BE PROUD OF

Every watch we assemble reflects our commitment to precision and excellence. With our skilled staff and rigorous quality checks, we ensure that each timepiece is nothing short of perfection, so you can proudly deliver the finest products to your customers.

ON TIME, EVERY TIME

We understand that timing is everything in the watch industry. Our dependable and flexible assembly process ensures on-time delivery, allowing you to honor your commitments, build customer trust, and maintain your competitive edge.

CRAFTING SWISS MADE WATCHES WITH PRECISION & SPEED

WATCH ASSEMBLY

Your Swiss Made timepieces are carefully assembled from start to finish in flexible production cells. This streamlined process minimizes lead times and ensures your watches are delivered faster, and guarantees the highest quality.

VERSATILE EXPERTISE

We are experts in the assembly of watches with movements from all manufacturers. Our trusted watchmakers craft timepieces with quartz or mechanical movements, chronographs and tourbillons.

EXCLUSIVE CONDITIONS

Take advantage of special conditions when selecting Ronda movements and enjoy the added benefit of allowing us to manage your movement orders for you. Reach out to learn how we can help maximize your margins and enhance your liquidity.

SEAMLESS LOGISTICS

From inventory management to direct global dispatch, we ensure your watches reach customers quickly and efficiently, wherever they are.

MULTILINGUAL CUSTOMER SUPPORT

Our multilingual team provides real-time updates and clear communication on your products and deliveries. We're always available to assist with exports and any administrative needs, ensuring a seamless experience.

THE DISTINCTIVE SIGNATURE OF YOUR BRAND

Take your watches to the next level with exclusive decorations and engravings. Tailored engravings will not only personalize your timepieces but also safeguard your brand against counterfeiting.
